...
HOW WAS IT?
Secret Door
Pikachi
...How...
...
...was it...?

Hagi-
wara
Yuu
is tall,
bright,
and kind to
everyone.
She's
popular
among
many
girls
no
matter
what
grade
they're in.
But...
For
some
reason,
I get the
feeling
that
she's
pushing
herself.

After all,
Yuu was in the same class as me,
and sat in the seat behind me.
It would be nice
if I could give her some help.
that's meddlesome of me.
But maybe
If I could just take on some of her burden...

I'd never seen
such a serious expression.
All of a sudden,
Yuu wanted to see me.
Up until then...
...nobody else knew about...
...the secret Yuu told me.

I was never interested in making friends.
At least that was until
I met you, Chihiro.
Up until then...
I've never told anyone
my secret.
THAT
I
LIKE
GIRLS.

For as long as I can remember, I've always wanted to touch girls' soft skin.
To touch each other...
And there was a girl nobody knew that I really wanted to see.
But while we were becoming friends...
I got worried.
What if my secret were to get out?
It would wound me greatly.
And it wasn't like I couldn't manage just bottling up my feelings.
But...
I never meant...

I truly love girls.
So I shouldn't touch them.
That was what my heart had decided
Shouldn't befriend them.
...for another girl...
...to be hurt.
Nomura Chihiro
That girl in front of my eyes,
...
However... to do.

I couldn't even look her in the eyes...
I really...
Ba-dump
...love her.
The more I knew about her
The more I thought about it
the more I loved her.
the more I wanted to tell her.
I couldn't keep it bottled up anymore.
I told her... my feelings
before we became friends.

I know Yuu likes me. With that knowledge we became friends.
But... I still don't know my feelings. That's why...

IT... IT WASN'T BAD... BUT...
I want to be sure.

...WELL, THEN...
SHALL WE DO IT ONE MORE TIME?

HOW DID... IT FEEL?

IS IT ALL RIGHT... IF I SAY "AGAIN"?
lights up!!
OF COURSE!!
Oh yes!
YUU,
HERE I GO.
OKAY.
Yuu... is soft...
Moreover... to think that girls can be this sweet...
It's as if I've opened Yuu's hidden heart...
And maybe... Yuu has opened mine, too...
